19th August 1960]

THE HON. SRI R. VENKATARAMAN : Persons are recruited to the posts of Co-operative Sub-Registrars and the Deputy Registrars. They will be first trained. Then there will be an in-training for the existing officers because we feel that these officers lose touch with the principles after sometime. Therefore they should be sent for refresher course and they will be sent to this college.

SRI A. A. RASHEED : May I know, Sir, whether the Central Government have promised to give any aid for this College?

THE HON. SRI R. VENKATARAMAN : No, Sir. The Government of Madras have proposed to run it out of their own funds.
